

Dear Friends of St. Agnes Library:

Thank you for your interest in our school library! Saint Agnes School Library accepts donations through "The Angel Program".

This program allows you to be an "Angel on Earth". You can choose to honor a birthday or other special event by donating money which will be used to purchase books for the library. A donation of any amount will be gratefully accepted.

Please consider this an opportunity for your family to give the valued gift of a book.

*Sincerely,
Mrs. Egger
Librarian*

Please complete and return to St. Agnes School in an envelope marked "Angel Program."
