

ST. AGNES STAG PLAYERS AUDITIONS!

Furry Tales

By Joel Doty (go to youthplays.com to read this play)

Auditions will be held: Jan 4 & 5 at 3:15 - 4:30 pm, choose one date to audition.

Actors will read scenes from the Script.

All St. Agnes students are invited to audition for this Stag Actors Club production.

The following roles will be available for performers in 6-8 grades only: Sir Mouse, Squirrel, Raccoon and Lila. All other roles will be open to performers in grades 1-8.

Parents: Please email Therese Walden Murphy your performers preferred audition day:

therese@westchesterstudio.com

All parents with performers involved in the production will need to offer assistance with the production. We will need one parent at each rehearsal, along with parents to help create the set, costumes, lighting, sound and programs. **Please email how you can help with the production when emailing your performers audition date.**

Performers: Furry Tales will need to be your priority from January thru March. Actors will only be called to rehearsal when needed. The last 6 rehearsals everyone will need to be at every rehearsal, NO EXCEPTION. All interested performers will need to demonstrate acceptable levels of self control and respect for others.

Cost per performer: The cost per performer will be based on how many students are involved (I anticipate between \$150 and \$200, once I have the auditions I will let you know). We need at least 18 performers but could use up to 25, **many** actors will play **multiple** roles.

Rehearsal Schedule: We will rehearse every Wednesday and Thursday from 3:15-4:30 pm beginning Jan 11 through March 23.

Shows: Friday March 24 @ 1:15 for St. Agnes School & Sunday March 26 @ 3:30 for friends, family and the St. Agnes Community.

Questions: please email Therese at the above email address or call: 484-995-2915.

Attached are the Audition Sides. My recommendation: 6-8 graders play with all the roles in the sides. 1-5 graders play with all the roles but Sir Mouse, Squirrel, Raccoon, and Lila. I am looking for wild and crazy personalities, do not be afraid to show me the fun side of you! No need to memorize but rather familiarize yourself with the many roles and think about what you would do with the characters.
